The Coach Buck Scholarship is in honor of Pat Buchanan, teacher and coach at Shawnee Heights High School for 32 years. “Buck” or “Coach Buck” as many students referred to him by, was a phenomenal role model and mentor to many during his time at Shawnee Heights. He brought a unique approach to teaching that engaged his classes and allowed for a great learning environment over the years. Buck retired in 2020, but you can still find him from time to time supporting Shawnee Heights athletics. He was, and still is, a selfless, social, encouraging, and passionate human being who took the time for every student, teacher and staff member. This scholarship will be awarded to an individual that not only represents these qualities, but who is an outstanding student too.

This scholarship will be given to a Shawnee Heights High School senior who is pursuing a bachelor’s degree at an accredited institution. Buck always believed in continued education and giving back to the community. Now in honor of that, the student of this award will be an individual who emphasizes that journey. Please take a moment to answer three questions below in a few sentences.

Question 1: Mr. Buchanan always encouraged and required his senior classes to be involved in community service. Please describe what organizations you are involved with and how you give back to serving the community.

Question 2: Mr. Buchanan has always believed in continuous education and striving to be a lifelong learner. Please elaborate on what field you intend to study in college and how you see yourself being a lifelong learner.
